Proposed agenda for a [redacted] conference on the Sino-Soviet Bloc  
motor vehicle industries

25X1X7

1. In supplement to my memorandum of 5 October 1956,  
which recommended a [redacted] interagency conference on the  
subject of the motor vehicle industries of the Sino-Soviet  
Bloc, the following agenda is suggested:

a. Production

- (1) A presentation and comparison of latest  
estimates of annual output by country, model and plant.
- (2) A discussion of the research methods and  
the reliability of the findings.
- (3) A discussion of gaps.

b. Prices

- (1) An exchange of price information and an  
examination of price estimating techniques.

c. Trends in the industry.
